

WE HAVE AN APP!

Boroondara Park Primary School

Works with iPhone, iPad, iPod and Android phones too!

Boroondara Park is proud to present our very first smartphone app! Once installed you will be able to –

- ◆ receive timely reminders of school events
- ◆ access the Boroondara Park Press right on your device
- ◆ view school calendar dates which you can download to your smartphone calendar
- ◆ be notified automatically on camp return times, changes to planned events and more
- ◆ links to pricelists and school documents
- ◆ contact the school at the touch of a button
- ◆ tailor the app to suit your family's situation e.g. just receive notifications for your child's year level

How to install the Boroondara Park Smartphone App

iOS Users (iPhone, iPad, iPod)

Simply search for "Boroondara Park" in the App Store and install

Android Users (Samsung, HTC etc)

Simply search for "Boroondara Park" in Google Play and install

About notifications

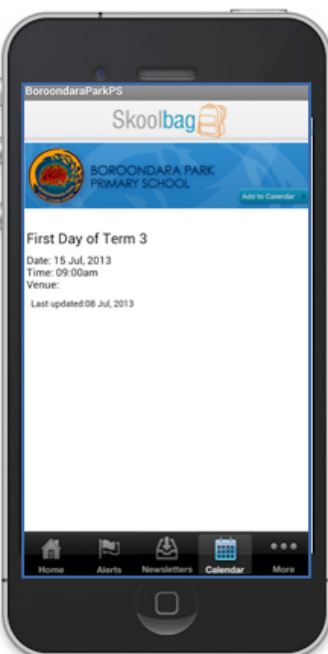

The BPPS App allows you to tailor what notifications you receive so you get the information that is important to you and your kids. You will still be notified of important whole school events and alarms but not be bothered by information not applicable to you.

Selecting your notifications

Select "**More**" on the bottom right of the screen, then choose "**Setup**".

You will be presented with different year level options and special groups. Choose the levels/groups that are applicable to your family. For instance, if you have kids in Years 3 and 5, turn those to "**on**". You can return to this screen and change the choices at any time.

How to use the Calendar

Choosing the Calendar option any screen will open up the future events. Select one and you will have the option in the top right of the screen to "**Add to Calendar**". Doing so will add all the details of that event (location, time, duration notes etc) to your personal calendar on your smartphone.
