CONCEPT PHRASE	Conditions for Social Justice	Appreciation of Social Justice	Application of Social Justice	Rationale for Social Justice	
RATIONALE	By learning to live and play with others we can have our own needs met as well as supporting those around us.	As a member of a multicultural society we are more likely to be fair when we understand the similarities and differences between cultures.	By looking at ways in which we are fair and unfair in our society we can become more aware of the importance of social justice for all.	An increased awareness of the universal treatment of children will inspire us to take appropriate and timely action to support the protection and care of all children in our world.
