

Excursion Helper's Agreement

Thank you for volunteering to assist us on our excursion. In order to facilitate the most effective and safe learning experience for all our students, please be aware of the following protocols. These have been established to enable us to fulfil the school's duty of care whilst ensuring all students gain maximum benefit from the experience. They should be read in conjunction with the *Guidelines for Parents Invited to Assist on School Excursions* document. Copies of this document are available at the Office.

We would appreciate you reading the statements below, signing the agreement and returning it to your child's teacher.

As a parent assisting on this excursion, I understand that:

- I will be working under the direction of staff and agree to follow the instructions given
- There is a need for strict confidentiality and discretion in any matters relating to students
- I will be supervising a group of students allocated by the staff
- It is not appropriate to allow my child/group special privileges during this excursion
- I may not be able to work with my child during the excursion
- It is inappropriate to bring other children/toddlers on this excursion

I agree to help with the excursion to: _____

on: _____ (date) organised for the students in: _____ (Team or grade)

I have read the above information and I agree to follow the conditions outlined.
