Hello everyone

With the children not at school on ANZAC Day nor the following day, we held our ANZAC commemoration over the PA system last Friday. School Captains Chloe and Henry did an excellent job sharing a brief history of what ANZAC stands for and also related ANZAC values to the way we can live our lives today. The teachers reported that they were very impressed with the reverence all the children demonstrated throughout the ceremony.

Charlie Banias and Ava Booth, together with a number of extremely helpful Grade 5 children, supported the ANZAC Appeal by selling ANZAC biscuits at each of the breaks and again after school. This was a successful fundraiser which we estimate added well over $100 to the monies we raised selling ANZAC badges and wristbands. Thank you for your initiative and organisational efforts Charlie and Ava, and thank you to their band of helpers who assisted during the day.

After enjoying a long weekend (wasn’t the weather beautiful!), we hope the majority of families were able to meet with their children’s teachers at the Parent–Teacher Interviews on Tuesday. The feedback from the teachers and the few parents I have spoken to is that the day was most successful. The interviews provided an excellent opportunity for the teachers to share observations and assessments about the children’s progress thus far this year, and for the parents to share information about the children or seek clarification about the programs and expectations from the school’s perspective.

We are growing continually optimistic about the communication channels opening up for us through Sentral. While we are aware there were a few anomalies encountered when booking for Parent Teacher Interviews, on the whole the process worked well. At the interviews, parents should have received information regarding the use of the Sentral Parent Portal ‘Messaging’ feature. We hope this medium will replace notes or diary entries as the prime form of communication between home and school and vice-versa. Please have a go at employing this facility, even if just for a ‘test’ run, to familiarise yourself with its operation. Having said that, please keep in mind that the teachers’ prime focus during the day is on facilitating educational activities for the children, so they may not always be able to respond during the hours the children are attending.

Over the past couple of weeks, both Teams 3/4 and 5/6 have enjoyed excursions to complement their studies on this term’s whole school focus, ‘Change’. Our 3/4s have visited the Melbourne Museum while the 5/6s have been to the State Library and the Chinese Museum. We thank the teachers for facilitating these opportunities and to the volunteer parents who assisted at each of these activities. Next week our Team 1/2s will be involved in an incursion called Silly Science, again to enhance their studies related to the ‘change’ theme.
Yesterday the school’s **Orchestra** participated at the **Boroondara Eisteddfod**. Mr Symons has written about this in his column today so I won’t expand further here, except to say that we know they performed well after rehearsing weekly with Miss Stephen.

Quite a few prospective families have visited the school this term, with many more booked in to join our Wednesday morning tours over the next few weeks. These visitors are looking for a good school into which they can enrol their 2017 Foundation (Prep) children. To assist in their deliberations, we will be conducting our school **Open Day** on Monday 9th May and our **2017 Foundation Information Night** at 7.00 p.m. on Thursday 12th May. If you are aware of families who will have Foundation children starting school next year, please let them know about these upcoming events, and encourage them to book for a tour on Open Day or on one of our regular Wednesday morning (9.30 a.m.) sessions.

All is in readiness for our **Working Bee this Sunday** to be held from 9.00 a.m. to 12.00 p.m., followed by a sausage sizzle and refreshments. The replies received indicate we are expecting a reasonable turn out of willing volunteers to assist, but we could always do with more. Amongst a long list of other jobs, we will be clearing out the service area to make room for our chicken coop, installing some seating and re-painting our emergency evacuation numbers. Of course there are autumn leaves everywhere that need to be cleared away and many other gardening and cleaning tasks. Leaf blowers would be a valuable inclusion if you’re looking to bring some equipment along. We look forward to working alongside you on Sunday morning.

Our **Buildings and Grounds Committee** met last night to discuss many issues pertaining to the school’s physical environment and to organise the aforesaid Working Bee. Over the last couple of years we have lost several of our long-term committee members as their children have move on to secondary school, so our numbers have dwindled. If you are interested in joining this very practical group which meets once per term (usually on a Tuesday at 7.00 p.m. for about an hour), please contact the office. We’d love to hear from you!

At our assembly this coming Monday we will be **presenting Chess trophies** for Term 1 to some of those children in our Intermediate and Advanced groups. Amongst many of our regular features, we will also be promoting the **French Poetry Competition** open to our Grade 3 children and our **Free Dress Day** (‘what I want to be when I grow up’) next Thursday in support of our Ethiopian Sponsor Child, Yem.

Due to the hectic nature of recording the names of our place-getters in the Fun Run / Cross Country events and the pressing need to meet the newsletter deadline, several of our runners had their names spelled incorrectly in last week’s **Press**. Sincere apologies are extended to **Leonor Tinoco, Ryan Huynh, Srishti Sharma, Isabella Ciavarella, Kaj Harper-Lietoff, Kamil Hegazi and Kenichi Chang**.

Condolences to the **Smith** family (Stephanie in 6SR & Nicholas in3KJ) on the death of their maternal grandfather, to the **Chin** family (Zaria in 1ML) on the death of their maternal grandfather and to the **Harrison** family (Milla in 1/2C) on the death of their paternal grandfather

**CHESS TROPHIES**

Term 1 Chess trophies will be presented at next Monday’s Assembly (2 May 3pm)

SCIENCE IMMERSION IN IML

This week I visited Monica Lindau and IML for their Science immersion session. In last week’s Assistant Principal Report Jane Woodman spoke of the inquiry model which operates at BPPS. Our school focuses on various concepts across the year levels. This term is ‘change’ and for the 1/2 team it means a focus on Science.

The lesson began in the classroom with a student sharing a book from home on the five senses. This provided an opportunity to revisit this aspect of the unit. From there the class viewed a YouTube music video about the senses. They sang a very catchy song, again about the five senses.

Monica dressed up as ‘Professor Lindau’ taking on the personality of a scientist. Professor Lindau focused the students on the sense of sight. The students put on their special glasses, directing their focus even more. Professor Lindau prepared the students for observation and shared the see, think and wonder model to prepare them for their observations. This was introduced through a picture stimulus. The expectations were clear. In this case they were 3: be quick, quiet but not messy. The class was asked what they knew about twisters? They had to watch ‘super carefully’ as the experiment took place. It’s a shame you weren’t all there as it was great!

The class moved to the gallery where a number of tables had been set up. The students used their sense sight to investigate various objects linked to the inquiry unit. The students rotated through the tables. This session was the last in a two week immersion process. As Monica said, students need to see Science as than more experiments. Students choose what they were most interested in and wrote about it before they went to lunch.

Although the focus was on the sense and investigations, Monica implemented various resources and approaches – whole class, individual and small group to immerse the students in the focus of the Science unit.

This week the students began the next stage of their inquiry. I look forward to seeing many scientists in our Grade 1/2 area as the term progresses; in fact I came across a group of botanists yesterday who looked very similar to the students of IML!

MUSIC AT BPPS

When I first visited BPPS one of the areas I was most impressed by was the Performing Arts program. At Boroondara Park we have the expertise of two staff - Llaaneath Poor and Beth Stephen. Apart from weekly performance arts sessions which include exploring dance, drama and music, students have the opportunity to be part of Junior School Choir (Grades 1-3), Senior School Choir (Grades 4-6), the Girls’ Vocal Group (Grades 5-6), the Boys’ Vocal Group (Grades 5-6) and the Recorder Ensemble (for students in Grades 4-6). We also provide a comprehensive number of instrumental music through music tutors who work alongside our staff.

Yesterday I was fortunate to attend the Boroondara Eisteddfod with our school’s 15-piece orchestra. This group has been working with Beth this year. These students come from Grades 3-6 with their experience ranging from 12 months to over 5 years. Having the opportunity to perform in front of the audience, competition or not, is what most performers look forward to the most. Having a background in music added to my enjoyment and honour to watch the students as they tuned up, ran through each piece, walked into the performance hall and ultimately performed. They were in tune and in time. What more could you ask for?

Providing a well rounded curriculum is essential in developing the whole child and the Arts at Boroondara Park is certainly doing their part in this development.
**ARTIS OF THE WEEK**

A magnificent Autumn tree features in the work by our next Artist of the Week, Adrina Hosseinpour of FSA. Adrina has filled the length and breath of her page with a drawing of a large spreading tree. She used rubbing crayons to create the bark of the tree and food dye was washed over the entire work. The following week, Adrina created Autumn leaves from torn tissue paper and these were collaged on to complete the work. Well done Adrina!

**Second Hand Uniform Stall**

The next Second Hand Uniform Stall will be on **Friday 06 May at 3pm** in front of the school hall.

If you have any clean, wearable items of school uniform no longer required by your children, please place them in the green wheelie bin in the “old” hall.
La Sfida di Mario! (Mario’s challenge)

This is this week’s Italian challenge:
Fa bel tempo!
All you have to do is remember these Italian words, translate them in English and say them with your best Italian pronunciation to Signora Higgins before Tuesday afternoon.

WINNER:
Your name will go in the newsletter and at the end of each term there will be CL@S awards for the top 3 winners.

Buona Fortuna (Good luck!)
Signora Higgins

Le défi de Tintin (Tintin’s challenge)

This is this week’s French challenge:
Voici mon chat
OR
Nounsous, touche les pieds
If you know the answer and you can say it in French, find Madame Higgins before next Tuesday afternoon. You will win house-points and have your name printed in the newsletter.

At the end of each term there will also be CL@S awards for the winners.

Bonne chance! Good luck!
Madame Higgins

**OSHClub News**
**Before School / After School Care Program**

**Program Update:**
This week the kids had lots of fun at OSHclub, with the Whole Day curriculum Day program on Tuesday and Castle and Princess week for regular Wed, Thurs and Friday OSHclub hours. On the Curriculum Day, the children made Pumpkin Soup, Rites and a massive cardboard Play Castle for the Princess theme this week. We had lots of kids add dragons and moats and even made cardboard armour for the day. For the rest of the week we made Crowns and tiaras, wands, pop-stick mini castles and dragon wings.

**AFL Auskick Play-On-Sports Program (Thursdays):**
This is an optional extra run by AFL Auskick coaches on a Thursday. We have limited places left, so if you would like your child to attend the 8 weeks of coaching sessions, please book quickly!

**Artist of the Week:**
Monique Williams for her wonderful Rupunzel picture!

**Best & Fairest:**

To The Curriculum Day Cooking group for making us yummy Pumpkin Soup! Eliza, Lacey, Moni, Robert, Hayden and Liam.

**Say Hi To Our Student Leaders**

Today we meet Visual Arts Captain... Sucheta Pereira!

**Q1. Why did you put your name down to become a leader?**
- I put my name down because I was interested in having a leadership role to play and taking more responsibility.

**Q2. What are some of your hobbies?**
- My hobbies include: singing, playing musical instruments, tennis, swimming, drawing, dance and calisthenics.

**Q3. What have you learnt anything so far about being a leader?**
- I've learnt that there's more to it than wearing a badge.

**Q4. What do you want to be when you grow up?**
- When I grow up I want to be a Teacher, Architect, Baker and work for a charity that helps the world.

**Q5. Who inspires you? Why?**
- The person that inspires me is Nelson Mandela because of the change he made in terms of racism.

**Q6. What's your favourite subject in school?**
- My favourite subjects are Art, Sport and Writing.

**Q7. What is the funniest moment of your life?**
- When my mum and I just casually walked into the men's bathroom by accident, screamed and ran out!

Save the Date! 2016 BPPS Fair Saturday 19th November 2016

This year’s BPPS Fair will be held in November, offering a fun community day full of stalls (for some early Christmas shopping) rides, food, free activities and more.

Further information will follow as we will need plenty of volunteers to help with all aspects of planning and preparation leading up to and at the event. Thank you to those who have volunteered already.

Any ideas or enquiries contact Bek and Jacqui and BPPSFair@gmail.com

Telstra employees - can you help??

Do you or a family member/friend work for Telstra?
If yes, we’d love to hear from you!

BPPS is actively seeking Telstra employee sponsors to assist us with the Telstra Kid’s Fund grants.
If you are new to the school and are eligible to help, or if you are a previous sponsor (but have not assisted in the past 3 years) and would like to help us out again, please get in touch without delay! Registrations are currently being taken for the next round of grants. The more sponsors we have, the more funds we can potentially receive to benefit our school!

To register your details or for more information, please contact Olivia Keenan (Grants Coordinator) on 0413 945 056 or email o_keenan@outlook.com.
Thank you to everyone who has volunteered to be a class rep this year. We are still looking for class reps for 3KJ, 4RP, 6CF and 6CR. If anyone is interested in being a class rep or if you have any questions about being a class rep please contact me. Nicky O’Keefe (Class rep coordinator) nokeefe@unimelb.edu.au.

Here are the names of the class reps for each class. Thanks again for volunteering to help.

2016 Class Reps

3KJ, 4RP, 6CF, 6CR, : We need you!

Class Reps Needed for above grades

Ideally, there will be 2-3 parents volunteering per class, but even 1 is great. If you have a friend also interested you can sign up together.

If you are new to this role, we will help you get started and show you where everything is.

The following is a list of some of the activities that you could help with;

- Arrange a social get-together with the class teacher and parents. This could be a morning or afternoon tea during school hours, when the class teacher is available.
- Any one-off activities that may occur
- Any end of year activities you may like to coordinate.

- The Parents and Friends Association has meetings once a month, usually on the first Tuesday. Hopefully you can come along every now and then and provide valuable feedback and opinions; you can also take turns. Feedback is also always welcome via email.

If you think you can help, we would love to hear from you!

Please complete the section below and return it to your class teacher as soon as possible, or e-mail below details to Nicky O’Keefe nokeefe@unimelb.edu.au.

If you have any questions please don’t hesitate to contact me (as above).

Best wishes,
Nicky O’Keefe, Class Rep Coordinator.
