

## FOUNDATION TRANSITION CALENDAR FOR STUDENTS BEGINNING SCHOOL IN 2021

Starting school is a major life transition for children and their families. It is time of change that can be both challenging and exciting, during which children and families adjust to new roles, identities, expectations, interactions and relationships. At Boroondara Park Primary School, we provide a range of activities designed to help children and families become familiar with our school environment and build relationships that are crucial to a successful start to school.
