29th November 2021

Dear parent/carer,

Boroondara Park Primary School is looking forward to another great year of teaching and learning in 2022. Our Finance Committee and School Council would like to advise you of the voluntary financial contributions for 2022. Every effort has been made to keep the cost of items and activities to a minimum and affordable for all parents, with the continued impact of the pandemic on many families.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. At Boroondara Park we are very proud of the high quality, enriching programs we provide for our students within spacious, contemporary learning environments. This makes a huge difference to our school and the programs we offer. The State Government supplies the basic operational requirements for our school. This is not sufficient funding to deliver the depth of curriculum currently offered and expected at BPPS, nor the maintenance and enhancement of our buildings and 4-hectare grounds. The ongoing support of our families ensures our school can offer the best possible education for our students. We want to thank you for your ongoing support of Boroondara Park Primary School, whether that's through fundraising or volunteering your time.

Within our school this support has allowed us to offer a wider and enriched curriculum, modern and innovative learning resources, continuous improvement of teaching and learning, enhancement to the physical surroundings and superior digital capabilities, all of which make a vital contribution to enriching our students' educational experience and outcomes.

For further information on the Department's Parent Payments Policy please see the one-page overview on the back of this letter.

Attached you will find the Foundation Curriculum Contributions for 2022. Payments can be made via **Qkr! or BPay from the 3rd January 2022** or alternatively, the School Office will be open from 24th January 2022 and can accept cash and Eftpos payments.

Please note we are **unable** to accept payments prior to the **January 2022**, as per Department Policy.

Yours sincerely,

Michael Coulter
